

# Leaf 16

## الورق السادس عشر

### Question 1

What are the root letters of the above word and the commonly used translations for it?

### Question 2

State 5 examples of آية and the associated verses from the Quran.

For example, in the verse:

هَذِهِ نَاقَةٌ لِلَّهِ لَكُمْ آيَةٌ Al-A'raf 7:73,

آية refers to the she-camel.

### Bonus Question

كُنْ كَمَا أَمْكَنَكَ

(Be as good as you can be)

Can you spot the special formation of the above sentence? Do you know of a verse from the Quran that has the same characteristic?
