

[CONTD] :- SUMMARY JUMLAH ISMIYAH (Fi'LIYAH) [DAY-30]

F) Even though $\acute{U}L$ is the Fi'l, it or any of its cousins are never considered a Jumlah Fi'liyyah. This is b'oz $\acute{U}L$ & its cousins are incomplete Fi'l. Egs of incomplete Fi'l in English are: "is", "was", "remained", "became", "becomes", "isn't", "wasn't".

4) MUJA'ALIQ BIL KHABAR

متعلق بالخبر

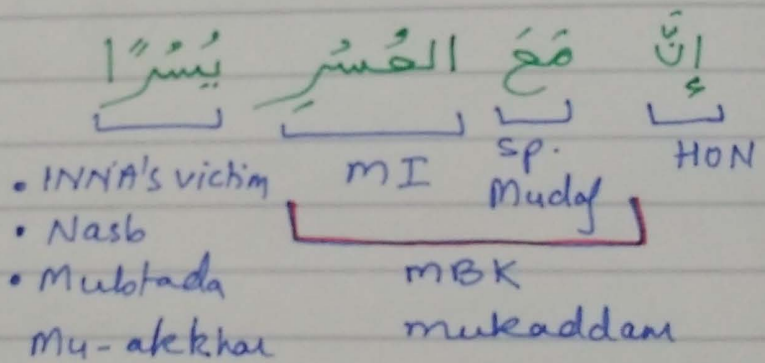

A) It is called MBK (meaning related to Khabar) b'oz in grammar we assume that there's always a Khabar & the MBK is extra info about that Khabar whether we find a Khabar or not. When we don't find it, it is assumed to be invisible b'oz it is still exist.

B) MBK can only be of 2 kinds :

- A chain starting with Taar Majroon or
- A chain starting with Special Mudaf of Time & space (فوق، تحت بحر = Dhaf - ظرف)

C) INNA can never have Special Mudaf as its ISM (even if the special Mudaf looks Nasb) pg - 31

eg.

* The real topic is يُسْرًا in the above sentence.

* إِنَّ is just a Haaf.

Sequence / Order :-

A) The Muḃtāda, the Khabar, the MBK can move around in different orders. Generally, the 1st Raj' will be Muḃtāda, 2nd Raj' if it means something new will be Khabar & the MBK is always obvious.
