

Surah Al-Munafiqoon

Ayah 2 (Day 86)

أَتَّخَذُوا أَيْمَانَهُمْ جُنَّةً فَصَدُّوا عَنِ سَبِيلِ اللَّهِ إِنَّهُمْ سَاءَ مَا كَانُوا يَعْمَلُونَ

They have taken their oaths as a cover, so they averted [people] from the way of Allah. Indeed, it was evil that they were doing.

I'rab :

أَتَّخَذُوا : they took

* Check if it's Ism / Fi'l maadi /Fi'l Mudare / Command

Ism	Fi'l maadi	Fi'l Mudare	Command
Can't be an Ism as it ends with وا	There is a possibility for it to be Fi'l maadi as the word ends with وا	We need to eliminate Fi'l Mudare as it doesn't begin with YANT	There is a possibility of command : sukoon, aa oo, ee, aa, na
	Take it to هُوَ version إِتَّخَذَ It has 5 letters. Matches with إِقْتَرَبَ		• أَتَّخَذُوا : Take it to it's sukoon version إِتَّخَذَ : match with other sarf families Doesn't match with /اءَسْلِمَ/عَلِمَ/جَاهِدُ/تَعَلَّمَ

	So it's definitely Fi'l maadi		أَقْتَرِبُ so not an Amr

- * It's an Ism since it's a detail
